## Sutradhar of India

**Population: 859,000**

The Sutradhar are a Bengali-speaking people group who live primarily in the Indian state of West Bengal. Many of them are involved in the woodworking trade. Like most people in India, the Sutradhar practice Hinduism and worship idols made by human hands. The Bible and evangelistic materials are available in the heart language of the Sutradhar, yet there are few known believers among them.

Let's pray Matthew 9:37-38 | Then he said to his disciples, "The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest."
